

**I am Carrie Rodriguez, the Hospitality Chairperson for the Fort Sill Patriot's Spouse's Club. I am currently a SAHM, and my hobbies are crocheting, volunteering, and reading (whenever I'm not my daughter's personal assistant). My sarcasm and RBF sometimes make me seem unapproachable, but I promise I don't bite! I'm hoping to help reach more spouses who might think the club isn't really for them; I've been "that spouse." This is a great place to find your tribe while helping support the community. I look forward to a great year and lots of new faces!**
