

My name is, Tabatha Jenkins, and I have the privilege and honor of being the Social Media Chairperson for the 2022-2023 Board year. I was raised in the Air Force as a military child and now am an Army Wife to my husband Daniel.

The Dover Delaware Air Force Base was where I was born, and home is where the heart is truly to me as I have moved and lived just about everywhere. I am a stay-at-home/working mom to 2 wonderful children Maverick, 3, and Aubrey, 2.

I run a Commercial Roofing Company and TDJ Boutique my Scentsy Independent Consultant business. When I am not spending time with my family and enjoying traveling with them you can find me volunteering or doing something with Grace Fellowship Church. I look forward to upholding this position and connecting spouses and the community through social media outlets.
